FOOD & BEVERAGE

A dependable logistics partner. Our certified warehouses meet and exceed all international, federal, state, and local safety guidelines for Foods & Beverages. Choose IWF for our extensive experience and efficiency in Food Third-party Logistics (3PL).

A dedicated FMCG Team that caters to the industry actors' needs. Offering Ocean, Land & Air freight solutions, warehousing, inventory management and distributions services for all types of goods. State-of-the-Art imaging and video surveillance assures safety, security and traceability of goods 24/7.

ALL GOODS AND PRODUCTS

IWF's infrastructure is set up to meticulously attend to all types of consumer goods, from dry and temperature controlled to hazmat and fragile. Sourcing, procurement, warehousing, timely delivery... You name it, IWF handles it!

COLD STORAGE

Owning 33,000 ft² (3,000 m²) of industry specific temperature-controlled storage rooms, IWF can accommodate any temperature needs for fresh and perishable items with settings capable of reaching as low as 32°F (0°C). Precooling areas complete the structure.

Additionally, IWF offers temperature-controlled repacking/reconditioning to satisfy clients' requirements.

HEALTH, BEAUTY, CARE & HOUSEHOLD PRODUCTS

IWF provides adequate handling of HBC and household products. Ensuring extreme care at reception, during manipulation and at loading. Our warehouses control and supervise client goods with video-surveillance and step by step photography to minimize risk of damage or leakage in movement of delicate liquids.

HAZMAT COMPLIANCE

With over three decades of experience in handling Dangerous Goods, IWF offers a Hazmat Consulting service to proactively identify compliance concerns, averting potential complications.

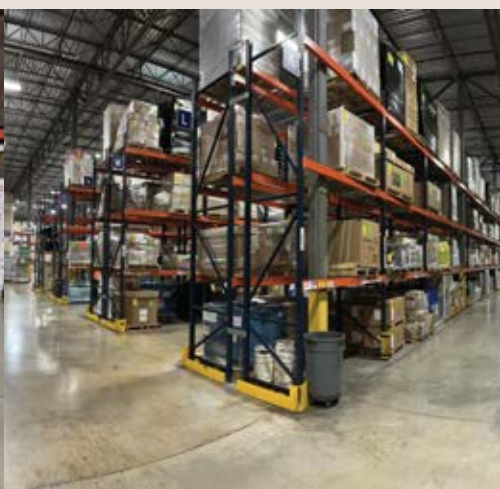

FREE TRADE ZONE (FTZ)

IWF offers a certified Free Trade Zone (FTZ) warehouse area. Goods can benefit of duty-free storage till ready to hit the market or be re-exported. Our FTZ warehouse also offers a Distribution Center complete with inventory management, fulfillment and delivery services in Miami, with Direct Delivery approval from the US Customs and Border Protection (CBP) agency.

BENEFITS

- **Duty deferral:** Import duties and taxes can be postponed until goods are released from the Free Trade Zone (FTZ) warehouse.
- **Streamlined customs procedures:** FTZ warehouses simplify customs processes, reduce administrative burdens, expediting import/export operations.
- **Trade facilitation:** FTZ warehouses foster trade by promoting easier access to foreign markets.
- **Strategic location advantages:** Our FTZ warehouse is strategically located near ports, airports, and major highways, enabling efficient logistics and distribution.

WCA BEST NORTH AMERICAN PARTNER

At Interworld Freight, we are proud to have been recognized as a leader in our field, thanks to our dedication to excellence and our persistence in providing our clients an exceptional customer service. We are committed to continuing to provide you with the best solutions and the highest level of service possible.

INTERWORLD CARES

Our purpose as a company is to serve as a helping hand to children in vulnerable life situations.

By partnering with different foundations in the countries we operate, we are able to provide children with better education conditions, better their nutritional intake and most importantly, we bring them closer to a life of faith and values.
